

Newry Rugby Football Club Ltd

Vision Statement

Newry Rugby Football Club will promote the playing of and participation in the sport of rugby union across all ages, genders and cultures within our locality as one club, ensuring an enjoyable, rewarding experience for players, families, sponsors and stake-holders on the pitch, within our club and in our community. We will take pride in our club, striving to improve, recognising the strength in team-work whilst providing all involved with the support and facilities to allow everyone to achieve their fullest potential both on and off the playing field
